### **B. Examiner Interview Summary**

On September 27, 2005, Applicants' representative Mark Wilson phoned Examiner Elhilo. Applicants and Examiner Elhilo discussed the final Official Action dated August 3, 2005 and potential strategies for obtaining allowance of the claims. Examiner Elhilo noted that claims 9, 12-21, 30-31, and 40-41 would be allowable if rewritten in independent form, including all the limitations of the base claim and any intervening claims. Applicants have amended the claims to rewrite claims 30-31 and 40-41 in independent form, including all the limitations of the base claim and any intervening claims. Applicants have canceled all of the other pending claims and added new claims when depend from claims 30-31 and 40-41. Applicants again wish to thank Examiner Elhilo for his time and attention to this file so that its prosecution can advance to issuance.

### **C. Conclusion**
